Xiamen Green Land Food Co., Ltd

Address: Room 404-2, 39 Xinchang Road, Xiamen, Fujian, China.

Company Profile

Xiamen Green Land Food Co., Ltd : Is one of the top food manufacturers that export frozen fruits and vegetables in China, with over 20 years of experience. our exports account for 98% of our company revenue with over 35 countries worldwide. Our main business ranges are frozen vegetables and fruits, mushrooms, frozen seafood, and frozen dim sum. We have a strict quality control system acknowledged by certificates including BRC, HACCP, ISO, HALAL, KOSHER, FDA, ECO, and FSMA.

Our Quality Assurance and Food Safety program is a continuously evolving prevention-based combination of product standards, expert personnel with many years of experience in the vegetable industry, and stringent evaluation programs throughout the production process. We deliver safe, cost-effective, high-quality products that protect consumer's well-being. We are proud of our Zero-complaint quality service over the past years. and get a good reputation in the market.

The mission is to provide consumers with the widest choice of green and organic foods with the most competitive prices and outstanding services by using state-of-the-art technology. Moreover, our team has sufficient experience and can offer you incredible service at all times. We've received and enjoy positive and constant feedback from our customers, any of your ideas and opinions will be appreciated and cherished for that is the best gift for the long-run business.

Our company is located in Haicang District Xiamen, Fujian Province, 14 kilometers away from Xiamen Gaoqi International Airport, and 8 kilometers away from Xiamen Port, enjoying convenient traffic conditions. Here you will have easy access to the transportation nearby. And it is extremely delighted to meet you in person no matter where you are from. It is always nice to make new friends, we look forward to your visit.
